

Device Name	Vaptio Wall Crawler Frogman Kit					
<b>Device Information</b>						
Price	\$44.99 – Device Only \$63.99 – Wall Crawler & Throne Tank \$???.?? – Wall Crawler & Frogman Tank					
Warranty	90 Day					
Site	<a href="https://www.heavengifts.com">https://www.heavengifts.com</a>					
Colors	Black/SS, Black, Black/Red, Black/Blue					
Device Materials	Zinc Allow & PVC					
Pin Material	Brass					
Threading Material	Zinc Alloy					
<b>Device Specs</b>						
Wattage Range	7-80W					
Max Voltage	??					
Max Amps	??					
Min Resistance	.05 Ohms					
Charge Rate	2A (measured 1A)					
Battery	1 x 18650					
Cutoff Time	User Adjustable: 3-10 seconds					
Screen Timeout	User Adjustable: 5-30 seconds					
<b>Tank Specs</b>						
Tank Capacity	5ml					
Coils	“Highly Compatible with mainstream multicore coils” Kanthal (from Website) 2x W2 Frogman Coils - .4 Ohm (45-65W Recommended)					
Diameter	26.5mm					
<b>Scope</b>						
Wattage Tests	X					
Signal Captures	7, 15, 30, 80W @ .3 Ohms					
Delay Tests	X					
Heart Beat	n/a					
TC Signal	X					
<b>Error Captures/Testing</b>						
Short Circuit	PASS					
Low Resistance	FAIL – Same as short					
Reverse Battery	PASS					
Overheat	PASS					
Cutoff	PASS					
Lowest Resistance Firing	PASS - .05Ohm					
Balance Charging	n/a					
Firing Empty/Full Cell	n/a					
<b>TC Tests</b>						
TC Pop-Out Test	No, applies max watts to get resistance to change. Does not pop out					
Core Readings	Ni 400°F		Ti 400°F		SS 400°F	465
	Ni 500°F		Ti 500°F		SS 500°F	580
Internal Photos	Could not get open					
Additional Notes	NORAL, SOFT, HARD – Tested with .3 Ohm @ 50W. “Smoke” (GRRR) time will override the custom curve. Custom curve run against a .3 Ohm load @ 50W.
